County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Pete Newel, Resident Engineer

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 11/25/2014

SUBJECT: Submittal of a resolution authorizing execution of notice of completion and acceptance of construction for the 2013–14 Asphalt Overlay, South Bay Boulevard from Los Osos Valley Road to Santa Ysabel Avenue in Los Osos. District 2.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution, which authorizes the execution of a notice of completion and acceptance for the construction of the 2013–14 Asphalt Overlay, South Bay Boulevard from Los Osos Valley Road to Santa Ysabel Avenue in Los Osos. (Contract No. 300504).

DISCUSSION

The contract was awarded by your Board to Souza Construction, Inc. on July 8, 2014 in the amount of \$497,884 and was constructed within the allowable working days.

The project provided a pavement overlay on South Bay Boulevard from Los Osos Valley Road to 300 feet north of Santa Ysabel for a total length of approximately 1.75 miles. South Bay Boulevard serves as a key arterial roadway and was in need of repair which had been deferred awaiting the completion of the collection system construction.

This asphalt concrete overlay contract is part of the Department of Public Works Annual Pavement Maintenance Program which provides an asphalt overlay of existing roads to extend the service life of the pavement. The work was necessary to halt further deterioration of the paved roads, and to improve safety and operation.

OTHER AGENCY INVOLVEMENT/IMPACT

Various utility companies have been contacted in consideration of project impacts to their facilities. The County Clerk formally processes the bid openings.

FINANCIAL CONSIDERATIONS

This is a multi year project in the Road Fund budget at \$1,980,626 – WBS 300504. The total project costs are estimated at \$609,935. Funding for the project will come from the Road Fund Pavement Management Program.

At the time of project completion, when final construction costs are known, any unused budget will be redirected to the 2015 Asphalt Overlay project. No budget adjustment is necessary.

A final report of actual project costs will be filed with the clerk after any and all claims, disputes and adjustments have been resolved. We do not anticipate the final project cost to differ materially from the current estimated total. Five percent (5%) of total contractor payments are held by the County and released only after meeting the legal holding period after the Notice of Completion is filed.

Please see Exhibit “A” for an estimated cost breakdown of the project.

RESULTS

By taking the recommended action, your Board will cause the legal Notice of Completion for this construction contract to be recorded, and start the period of time during which liens can be filed by subcontractors against the prime contractor.

c: Dave O'Halloran, Construction Engineer
